

Baptism

Why Baptism?

In baptism, we follow Jesus.

Jesus was baptized and one of the last things He said while here on earth was that we should be baptized.

...MAKE DISCIPLES OF ALL NATIONS, BAPTIZING THEM IN THE NAME OF THE FATHER AND THE SON AND THE HOLY SPIRIT. - MATTHEW 28:19

Who Should be Baptized?

Every individual who believes in Christ.

You were created to live in a relationship with God. Scriptures teach us that sin severed that relationship. God's plan through Jesus Christ has always been to redeem us and restore our relationship with Him. Jesus paid the penalty for our sin on the cross and offers us the gift of a restored relationship with God. Our part is to accept this gift and begin a brand-new life of following Jesus.

What does Baptism Mean?

Baptism is an enactment of your new life in Christ.

It announces the end of life ‘my way’ and announces your choice to live ‘Jesus’ way.’ Baptism does not “save” you; only your faith in Christ does that. Baptism is a public declaration that you will follow Jesus.

When do you get Baptized?

There is no reason to delay.

If you believe in Jesus, you should get baptized. Baptism declares **“I am on a journey to be more like Jesus in all that I do.”** It invites Jesus’ favor on this journey and a new grace to love God and love people.
