

School OF Discipleship

LEARNING TO LOVE AND LIVE LIKE JESUS

Introduction

Following Jesus, being His disciple, is very different than trying hard to be good. School of Discipleship is about learning to live our whole lives in a love relationship with God. It's about allowing His love to transform us, and His heart to motivate us to a grand adventure that's way bigger than ourselves.

School of Discipleship is a relational learning pathway made up of courses, seminars and tools to move disciples forward in the life-long adventure of following Jesus.

School of Discipleship is a Journey of Learning to Love and Live like Jesus.

Is it all About Academics?

No. The term disciple means someone who is a learner. The kind of learning you'll experience is a lot more than head knowledge. This is about letting God change the way we live and interact with Him, ourselves and the world around us.

Where do I Start?

Whether you're new to faith, wanting to grow as a disciple of Jesus, or are new to our church, everyone is encouraged to start by taking the first three foundational courses (Year One). Everything that follows will be built on that.
