Prayer Walk

Throughout the Bible we are told to pray for others . Today we have the opportunity together to pray for our world, our local community, and our church ministries. We have stations throughout the main floor that you can walk to and pray for that ministry area. (see the map on the back).

If you are feeling God prompting you to become part of a regular prayer team contact the church office, general@spac.ca, or 780-467-8404 and we'd be more than happy to tell you about the various groups and get you connected.

Youth

Junior High Youth Pastor: That the right person for our team would apply for this position. In the meantime for extra energy and drive for our team as we fill the gaps .

Volunteers: Our junior high ministry needs more volunteers, both adults and students grades 9-12, to serve on the worship and/or program team.

Kids

Volunteers: For an army of volunteers who would see the opportunity we have been given to be the presence of Jesus to our kids. Pray for the eyes to see who to ask and the Holy Spirit to move in people's hearts.

For our Kids: To experience Jesus and for His Word and Spirit to move deeply in their hearts. Pray they would develop a lifelong faith journey that transforms them and the lives of those around them.

Strathcona Christian Academy

Students: For a fresh and deeper encounter with Jesus so others are loved well.

Staff: For continued and renewed passion for their mission/calling as educators here at SCA.

Justice and Compassion

PALM: Pray for the volunteers and leadership of PALM and for the many New Canadians who come through their doors. Pray that the PALM programs would have great impact on the lives of the people who attend.

TheWayGaming: TheWayGaming provides unique outreach opportunities for the individuals who come to their events. Pray for the leaders and volunteers who plan, coordinate and execute unique events each month and for the individuals who attend.

Salvation Army Van Ministry: Every month we have two teams go out on an van to encourage, pray with, and provide basic essentials to women working on the streets. Pray for some new volunteers to join our teams and for the Salvation Army Staff who run the van ministry.
