School of Discipleship | Adults

Starts Following Jesus, being His disciple, is very different
Year One: than “trying hard to be good.” School of Discipleship
Apr 8/12 is about learning to live our whole lives in a love
Year Two: relationship with God. It’s about allowing His love to
Apr 8/10 transform us and His heart to motivate us to a grand
adventure that’s way bigger than ourselves.

Practically speaking, School of Discipleship is a relational learning pathway made up of courses, seminars and tools to help move disciples forward in the life-long adventure of following Jesus. It’s a great place to get connected because of its unique combination of both the classroom and small group setting.

We’re into our third course for the year with School of Discipleship and there’s been over 120 people engaged since the Fall! If you’re thinking of starting with us in School of Discipleship, then Fall 2018 is the best place to get started at the front end of Year One. Until then, watch for Seminar Editions where you can engage with us for one-time events!
